

1 x 8W FLUORESCENT DESK LIGHT

One of a new range of high quality compact units from McGeoch, this 8W fluorescent fitting is designed to provide a cost effective light source over desks. It has several key features:

- Robustly constructed from mild steel
- White powder coated, easy-to-clean surface
- High efficient 8W fluorescent tube
- Surface mounting
- Adjustable anti-glare shade
- Easily surface mounted with two fixing screws
- Rear cable entry
- Integral on/off switch

Mounting & Light Output Details

The 8W Fluorescent Desk light is easily mounted via two 4mm diameter fixing holes in the bank panel where there are also two 6mm diameter cable entry points.

Other Product Ranges

- Military ruggedised surface ship lighting range
- Military ruggedised submarine lighting range
- Ruggedised Switchgear range
